Teleios Announces Addition of Adoray Home Health and Hospice as Associate Member

**Hendersonville, NC, June 18, 2026:** Teleios Collaborative Network (TCN) announced the addition of Adoray Home Health and Hospice as an associate member. Since 1995, Adoray has been a not-for-profit, community-based healthcare agency dedicated to providing expert physical, emotional, and spiritual support to patients and families throughout the stages of serious illness. Adoray has served over 20,000 patients and is recognized for the comprehensive hospice, palliative care, home health and rehab therapy services provided in patient's' homes, skilled nursing and assisted living facilities throughout the St. Croix River Valley of western Wisconsin. Adoray is a program of St. Croix Valley Shared Services, Inc., a not-for-profit agency sponsored by Western Wisconsin Health and St. Croix Regional Medical Center.

Christa Walz, Executive Director at Adoray, said of the partnership “At Adoray, we believe our patients and families deserve access to the very best care, resources, and expertise available,

regardless of their ZIP code. As a rural, locally rooted nonprofit provider, our partnership with Teleios Collaborative Network connects us to a nationwide network of knowledge and innovation that will strengthen the care we provide every day. Together, we can ensure our neighbors continue to receive compassionate, high-quality care close to home, wherever they call home”.

“We are excited to announce our partnership with Adoray, an organization that aligns closely with our mission and values. With a longstanding commitment to serving their community and a proven continuum of care model, Adoray has established a strong foundation of support and impact. We look forward to working together”. said Chris Comeaux, Teleios Collaborative Network President/CEO.

Teleios Collaborative Network is a nonprofit organization that has created a clinically integrated network sharing expert leadership, industry best practices, and resources with its member organizations. The goal of TCN’s collaboration is to harness the best of each hospice and enable the network to care for the patients and families in each community served. There are over 3,500 hospice patients and over 4,300 palliative patients in its network. TCN was founded in 2017 by Four Seasons and Carolina Caring and co-founded by AMOREM and Mountain Valley organizations. TCN is currently comprised of twenty-four member organizations across fourteen states.
