

## Annette Kiser

Annette Kiser is the Chief Compliance Officer for Teleios Collaborative Network. With more than 40 years of health care experience, she is recognized for her regulatory and compliance expertise in the hospice community. She holds a master's degree in nursing administration and is nationally certified as a nurse executive (NE-BC) and in healthcare compliance.

Annette began her hospice career as a nurse volunteer in 1986 before moving into full-time hospice nursing and leadership roles. Her experience includes more than two decades with community-based nonprofit hospices and more than six years supporting hospice and palliative care providers through a two-state association, with a focus on quality, compliance, clinical care, and public policy.

Since joining Teleios in 2017, Annette has partnered with hospice and palliative care leaders nationwide to strengthen quality and compliance practices, respond to surveys and audits, and navigate complex regulatory challenges. She also serves as a Technical Strategic Advisor to the National Partnership for Healthcare and Hospice Innovation (NPHI) and collaborates with national and governmental partners on issues affecting hospice, palliative care, and related post-acute organizations.

Away from work, Annette enjoys spending time with her husband Ron, their daughter Tayler, son-in-law Anthony, and two grandkitties, Jasper and Onyx.
